Master Gardener Volunteer Program
Florida Master Gardeners are University of Florida-trained volunteer teachers. Master Gardeners educate and provide research-based information to Floridians about gardening, America's most popular pastime. Their information about planning and maintaining urban, suburban, and rural landscapes always emphasizes environmental stewardship.

The Master Gardener Program is a major outreach that assists Extension in significant horticultural educational efforts in the community. Master Gardener volunteers provide much of the first contact through Plant Clinics, Plant Lifelines, and other educational programming.

The annual Landscape Gardening Series sponsored by the University of Florida/IFAS Extension Charlotte County Master Gardeners will begin Friday, January 25th. Five sessions are scheduled to be held at the Charlotte County Environmental Campus, 25550 Harborview Road, Port Charlotte from 9:30 to 11:30 AM.

Gardening in Southwest Florida differs from anywhere else in the country. The lecture series is a condensed training for people to learn to successfully manage their gardens and landscapes. Newly transplanted residents and experienced gardeners alike will benefit from the expertise provided by the lecturers.

The cost of the series is $20.00 if pre-registered by January 21. Pre-registration is recommended but you can also pay $5.00 per class at the door (seating limited.) All monies go to improve community horticultural outreach educational programming in Charlotte County. For more information visit https://sfyl.ifas.ufl.edu/charlotte/ or call 941.764.4340.

To register, mail this completed registration form (along with payment) to: 25550 Harbor View Road, Unit 3, Port Charlotte, Florida 33980. Make checks payable to “Friends for Extension Foundation, Inc.” Further information about this seminar series may be obtained by phoning the UF/IFAS Extension Charlotte County at 941.764.4340 or visiting our website at https://sfyl.ifas.ufl.edu/charlotte/
