

As everyone is aware, we are facing an unprecedented situation with COVID-19 causing all meetings and programs to be temporarily postponed. The Duval County-UF/IFAS Extension office will be closed through the end of March, however our Extension Agents and staff are working remotely to answer calls and agents will provide recommendations. We can be reached on Facebook, our email at [duval@ifas.ufl.edu](mailto:duval@ifas.ufl.edu) or through the City of Jacksonville Call center at 255-CITY.
