

MEETING NOTICE

Oyster Restoration Research in Apalachicola Bay

May 10, 2018

5-6 PM

Apalachicola Community Center at Battery Park

1 Bay Avenue

Scientists from the University of Florida and the Florida Fish and Wildlife Conservation Commission will provide an update regarding the experimental research project in Apalachicola Bay. This five-year project is being funded through the National Fish and Wildlife Foundation. The project examines oyster health, productivity, reef structure and water quality needed to support the Bay's oyster industry.

All interested persons from the community are encouraged to attend.

Meeting Contact: Erik Lovstrand

UF/IFAS Florida Sea Grant Agent

Franklin County Extension Director
