Due to Covid-19 safety precautions, sessions will be via telephone or web conference.

FREE One-on-One Financial Guidance

We have financial mentors who provide FREE one-on-one help with basic personal financial management. These folks are called Florida Master Money Mentors and they will help you develop a strategy to take control of your finances.

Mentors provide guidance on:

- Developing a spending plan
- Analyzing debts
- Finding ways to build good credit
- Developing a savings plan
