Worker Protection Standard Train the Trainer-Training

Registration Required, Cost \$30, all WPS T-T-T (9:00am-1:30pm)

Please Check with the Local Host for more information

The Worker Protection Standard (WPS) is a federal program designed to protect agricultural farm workers in the production of agricultural plants. A person is qualified to teach WPS to farm workers if he/she holds a restricted-use pesticide license or if he/she has completed the WPS Train the Trainer course.

CEUs have been approved and available.
