

Okaloosa 4-H

4-H Youth

Okaloosa County youth have choices for life activities, yet many may not be aware of the fun and rewarding benefits of 4-H. In January, we began a strategic evaluation of 4-H programming with the intention to align and develop opportunities for youth across Okaloosa County. For current 4-H youth, we want to see your work this year! Consider participating in the upcoming Okaloosa 4-H County Events, held on April 13, 2024 (register by February 5, 2024).

4-H Volunteers

We heard you! In January, we created and completed:

- The Okaloosa UF/IFAS calendar includes current 2024 4-H events
- Okaloosa County Volunteer Resource Notebook, including education on 4-H programming, policies, and procedures to promote volunteer success.
- Watch your email for a survey to better our service

Committed Staff

Okaloosa UF/IFAS Extension 4-H staff is committed to expanding engaging opportunities for our youth to explore and develop essential life skills, confidence, and a sense of belonging in their communities. With this commitment comes our drive to fully support 4-H volunteers and adult leaders in 2024 and beyond.

~ Dana Stephens, 4-H Agent, & Jatoya Booth, 4-H Program Assistant
