

Speed Division Stake Race

Classes #28 and #29

The contestant is allowed a running start. Timing shall begin as soon as the horse's nose reaches the start line and will be stopped when the horse's nose passes over the finish line. Start by crossing the start line between start/finish markers. Contestant must cross center line (dotted) when going to first end pole. At the first pole, the contestant may go right or left. Between the first turn and second turn, the horse must cross center line (dotted). The second turn MUST be opposite the first turn. Finish by crossing or not crossing center (dotted) line between start/finish markers.
