Pick the one that fits you best, then click Next.

**Private:** apply restricted use pesticides to produce an agricultural product on property owned or rented by the applicator or the applicator’s employer.

**Public:** apply restricted use pesticides while employed by a federal, state, county, city, or other local agency or government entity.

**Commercial:** apply restricted use pesticides for any purpose not listed under Public or Private license. Examples: Contract application of RUPs for someone else, non-contract application of RUPs for any purpose other than agricultural production.
