## **Story**

Briefly describe your experiences in the Quilting Project. Who taught you how to do your project? Did you need additional help? What difficulties did you have? Do you want to do more projects like this? What other crafts would you like to learn about? What did your club do this past year?

## **Pattern and Photographs**

Securely attach a clear copy of any patterns (if you used any) and add any additional pages for photos of your project. Include captions with your photographs.
