

Brevard County 4-H

Poultry Project Skill-a-Thon Study Guide 2025

Cloverbuds

Products and Marketing

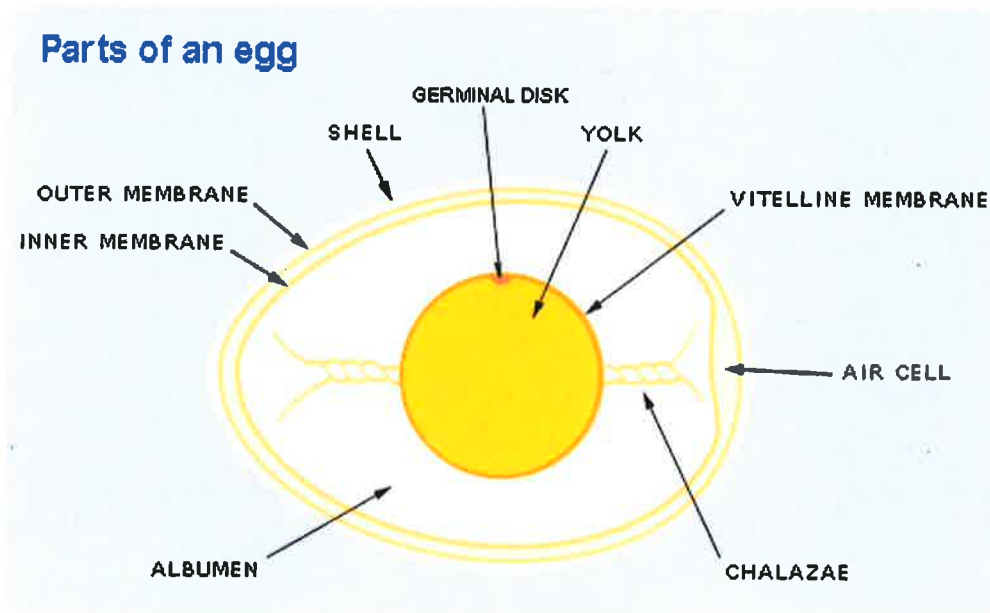

Cloverbuds

The Brevard County 4-H Poultry Skill-a-Thon is a part of the Brevard County 4-H Poultry Project. There are many opportunities to earn points towards the Champion Exhibitor, one of which is through participation in the skill-a-thon event. The topic for this year's Skill-a-thon is Products and Marketing.

For our Cloverbud participants this year, the following information should be studied to prepare for this event.

Part of an Egg

In addition, Cloverbuds will be asked about foods that are made with eggs. Since this list could be many things, we ask that you discuss with your youth what their favorite foods are that are made with eggs.

We look forward to seeing your Cloverbuds during our 2025 Skill-a-Thon.
