

Say Cheese!

Science the Milky Way

Ice cream, cheese, yogurt – no matter which you like best, all of these have one thing in common. They all come from milk! In this camp, you will learn about the chemistry behind how your favorite dairy products are made. Whether you like a plain glass of milk or prefer Greek yogurt or Mozzarella cheese, join us for a week of afternoon fun in creating delicious foods that start with nature's perfect food.

JUNE 17-21, 2024

2 PM - 5 PM

AGES 12 - 18
