

4-H PROJECT EVALUATION FORM

We need your help in providing feedback in the project you just completed. For each statement, think carefully about your knowledge and skills before and after participating in this project. You must complete both the BEFORE and the AFTER to receive credit. Rate your level of skill for each item before and after as:
 1 = poor, 2 = fair, 3 = good, 4 = excellent.

Project Book Name: _____

	BEFORE I participated in this project				AFTER participating in this project				
	Circle one number for each statement				Circle one number for each statement
