Limited Commercial Landscape Maintenance Prep Class

February 19 & March 18, 2020

8:30AM-3:30PM

1120 O Donnell Blvd, Port Charlotte, FL 33953

The Limited Commercial Landscape Maintenance (LCLM) Certification Program allows commercial landscape maintenance personnel to make pesticide applications (using herbicides, insecticides and fungicides) to ornamental plants and plant beds only.

Participants attending this class have two options: a 4-hour class for renewal credits, or the 6-hour new applicator needing this prep-class requirement. Exam is optional at the end of class and takes 2 hours. You must have applied prior to the class and bring your voucher number with you.

You must apply for a voucher number prior to taking your test. Apply at <https://pesticideexam.ifas.ufl.edu>.

To study for this exam, the materials are SM 1, SM 82, and SP499 from the IFAS Bookstore and can be purchased at www.ifasbooks.com.

Registration fee is \$10.00 for 4-hour recertification and \$25.00 per person for full prep class which includes lunch. Checks are payable to FFE or Friends for Extension Foundation, Inc. We do not accept debit or credit cards. Check or cash only. For further information please contact Holly Bates, Extension Program Manager, imilex@ufl.edu or 941-764-4352.

Green Industries Best Management Practices (GI-BMPs) is an educational program for people working in lawn-care and landscape maintenance. The GI-BMP program teaches environmentally safe landscaping practices that help conserve and protect Florida's ground and surface waters. During the class you will take a pre and post-test. You must pass the post-test to receive your certification. With the certification, you can then apply for your Limited Urban Commercial Fertilizer License. If you currently have a license this class is good for 4 CEU credits for renewal.

Registration fee is \$25.00 per person and includes lunch. Checks are payable to BOCC or Charlotte County Board of County Commissioners. We do not accept debit or credit cards. Check or cash only. For further information please contact Holly Bates, Extension Program Manager, imilex@ufl.edu or 941-764-4352.
