## Citrus County 4-H Clubs

### Florida 4-H prepares youth for life's challenges

The Florida 4-H youth program address the needs of young people by focusing on their strengths and capacities and the essential elements of a 4-H experience are the "best practices" that staff and volunteers address as the basics of developmental needs of youth—independence, mastery, belonging and generosity.

<u>Club Title</u>	<u>Project Area</u>	<u>Meeting Information</u>	<u>Club Title</u>	<u>Project Area</u>	<u>Meeting Information</u>	<u>Club Title</u>	<u>Project Area</u>	<u>Meeting Information</u>
