Attire

Florida 4-H does not have an “official dress” or “uniform” that is required to be worn during 4-H events. As part of any County, District or State Event, proper conduct and dress by 4-H participants, leaders, and agents is important.

Appropriate dress means:

- Clothes are neat, clean, and modest.
- Green and white or black and white fashions are highly encouraged and appropriate. *However, youth will not be penalized in competitive events if attire in these colors is not available.*
- Clothing with messages or commercial logos are discouraged.

Additionally, when youth are participating in certain projects, i.e. livestock, ATV, or shooting sports, safety should be considered.

Attendance and Participation

Event scheduling is based on room availability, judge availability, and a pre-determined schedule of acts and allotted tallying times. For this reason, any request to be exhibited at specific times is not an option. Any request for time slots at the beginning or end of the event will only be considered if received by January 16th, 2024 to the 4-H office by email for date stamp purposes.
