Clay County Stingers

Leader: Ralph White

Email: rwhite9927@gmail.com

Honeybees are a critical component of agriculture. Pollination services, honey production, bees wax products, and bee production are some of the benefits honeybees provide to hobbyists and commercial beekeepers. Club members will be exposed to many aspects of honeybee stewardship including honeybee biology, maintenance, apiary expansion, and the various business concepts used by beekeepers in their apiaries. The skills and knowledge students gain will be applied to running a club apiary. Club meetings will be the 4th Tuesday of the month at 6:00 pm at the Clay County Extension Office. There will be an optional hive side meeting the 2nd Saturday of the month at 11 am, corresponding with Clay County Beekeeper's Association mentor meetings.
