4–H CLUB WELCOME SHEET

Animal Ambassadors 4–H Club
Duval County 4–H

Club Purpose

The purpose of a 4-H club is to provide youth opportunities to master skills, gain independence, develop generosity, and feel a sense of belonging all while learning about topics the members are passionate about.

Club Projects

The 4-H Animal Ambassadors is a club for middle and high school students with a focus on zoology. Using 4-H national curricula, club members will learn about the animal world. Our mission is to nurture a love of nature in today's youth, inspire action that protects it, and support the development of essential life skills for our members. Members are also encouraged to complete individual and group projects in other areas throughout the year.
