4–H CLUB FACT SHEET

Duval Clover Bees 4–H Club
Duval County 4–H

Club Purpose

We are a club dedicated to teaching all about beekeeping, the importance of pollinators and how they impact our lives and food supply. Now keeping bees rewards us with honey and other products from the hive

Club Projects

Building an apiary from the ground up, building wooden hive components, learning about bee biology, learning how to collect and harvest honey, how to process other products from the hive such as wax, propolis and how to address bee diseases and pests.
