4-H CLUB FACT SHEET

First Coast 4-H Club
Duval County 4-H

Club Purpose

The purpose of the First Coast 4-H Club is to bring agriculture knowledge and skills to our youth through a fun, hands on learning model that teaches not only the basic skills regarding agriculture but also lays the foundations for teaching the responsibilities that come with each of these skills while building confidence and providing life experiences.

Club Projects

Goats, chickens, rabbits, and gardening are some of our projects. We also study Livestock judging and compete in local and state fairs.
