

4-H CLUB FACT SHEET

Homeschool Adventure Club Duval County 4-H

Club Purpose

In HAC we believe that not all classrooms have four walls. Our club empowers youth through outdoor experiences that build resilience, leadership, and environmental awareness. Our club places a strong emphasis on camping adventures and will be camping multiples times this coming year. We also put a strong focus environmental stewardship by participating in clean ups at our beloved parks. Whether preparing for a weekend campout or a day adventure, HAC challenges members to grow, lead, and connect with the natural world.

Club Projects

Homeschool Adventure Club rotates projects each year. The goal is to introduce youth members to a wide variety of topics with a focus of outdoor adventures and visiting parks around the Jacksonville area. Past projects have included camping, forest ecology, photography, cooking, reading, dogs, and cats. Our planned 2025-26 projects include bikes, camping, and environmental science.
