

MEETING POSTPONEMENT NOTICE

Oyster Restoration Research in Apalachicola Bay

Originally Scheduled Meeting for November, 2018

Postponed until post-Hurricane Michael Assessment can be Done

The November meeting for the Oyster Restoration Research project in Apalachicola Bay is postponed until further notice. Faculty and Staff from the University of Florida IFAS, Florida Sea Grant and the Florida Fish and Wildlife Conservation Commission are assessing the impacts of Hurricane Michael on the experimental research plots in Apalachicola Bay as well as storm impacts on water-dependent businesses and coastal habitats in the Panhandle and Big Bend Region of Florida.

Meeting Contact: Erik Lovstrand
UF/IFAS Florida Sea Grant Agent
Franklin County Extension Director
