

MEETING NOTICE

Oyster Restoration Research in Apalachicola Bay

September 24, 2019

5-6 PM

*****Historic Holy Family Senior Center***
203 Dr. Frederick S. Humphries Street Apalachicola**

Scientists from the University of Florida and the Florida Fish and Wildlife Conservation Commission will provide a summary regarding the experimental oyster restoration research project in Apalachicola Bay. This project was funded through the National Fish and Wildlife Foundation. The project examined oyster health, productivity, reef structure and water quality needed to support the Bay's oyster industry. This will be the final public workshop for this five-year project.

All interested persons from the community are encouraged to attend.

Meeting Contact: Erik Lovstrand
