by May 12**

2019ffl101.eventbrite.com

Learn what it takes to make your garden great:

Right plant, right place

What weeds say about your landscape

Edible gardens

Bees, butterflies and dragonflies

How to hire and manage a landscape professional

Bring your plant questions, and leaf and insect samples

View specimens through our microscope

Experts will be on hand to answer your questions and provide recommendations.

\$10 registration fee includes gift bag with gardening book, rain gauge, hose nozzle, water bottle, and free soil test. One kit per household. Workshop fee is non-refundable.

Presented by UF/IFAS Extension Hillsborough County

Sponsored by Tampa Water Department and Hillsborough County Public Utilities

Hillsborough County Extension is a cooperative service of Hillsborough County Board of County Commissioners and the University of Florida. The Institute of Food and Agricultural Sciences (IFAS) is an Equal Employment Opportunity Institution authorized to provide research, educational information and other services only to individuals and institutions that function with non-discrimination with respect to race, creed, color, religion, age, disability, sex, sexual orientation, marital status, national origin, political opinions or affiliations. U.S. Department of Agriculture, Cooperative Extension Service, University of Florida, IFAS, Florida A. & M. University Cooperative Extension Program, and Boards of County Commissioners Cooperating.
