

## Ways in Which to Earn Continued Education Credits (CEU's)

Licensed pesticide applicators must recertify to renew their licenses. For recertification, one must retake the certification exams or earn the required number of Continuing Education Units (CEUs). Each license has their own requirements and it is the responsibility of each applicator to obtain the requisite number of CEU's for renewal within the required timeframe. Listed below are a number of ways to obtain CEU's.

**UF/IFAS Pesticide Information Office.** On-Line CEU's offered through for license renewals. Cost: \$20-75 depending upon course length (50 min – 6 hours); 1 CEU is generally 50 minutes. <https://pested.ifas.ufl.edu/>

**FDACS Pesticide CEU website.** Lists current classes statewide that offer CEU's in different categories for different licenses. This site allows you to select a specific date, location and category—or you can just search the database for the specific license and/or category and it will display classes for various locations and dates. <http://ceupublicsearch.freshfromflorida.com/AvailableClassSearch.asp>

**County Extension Offices.** Pesticide training classes scheduled on an as-needed basis and other classes awarding CEU's. It is also possible to watch DVD's in offices for CEU's on a limited basis. Call to be put on notification list or visit websites.

**Limited Commercial Landscape Maintenance (LCLM) Pesticide License.** Training can be done on-line for license application and for CEU's for license renewal. <https://ifas-manatee.catalog.instructure.com/browse/landscape-pros/courses/lclm>.

**Green Industries Best Management Practices (GIBMP).** Training provides a variety of CEU's for both 487 (2-Core, 2-O&T) and 482 licenses (2-Core, 2-Limited Urban Fertilizer, 2-Limited Landscape Maintenance, 2-Limited Lawn & Ornamental, 2-Commercial Lawn & Ornamental) for a total of 4 CEU's for the day. See <https://gibmp.ifas.ufl.edu/gibmp/workshop/register/listGIBMPWorkshops.faces> for a list of class dates and locations. It is also offered on-line and via DVD.

**UF/IFAS Florida-Friendly Landscaping™ Program** offers two one-hour online courses with CEU's [https://ffl.ifas.ufl.edu/ceus/ceus\\_lcfac.htm](https://ffl.ifas.ufl.edu/ceus/ceus_lcfac.htm).

**UF IFAS Horticulture Department Annual CEU Day.** Day-long session in Gainesville with video host locations offered throughout the state, usually in February of each year. **Indian River County Extension** will be host location for the webinar on the Treasure Coast. 12 CEU's possible; 6 FDACS CEUs: 2.0 for each of Ag Row Crop, Ag Tree Crop, 487 General Standard/Core and/or 6 CCA CEUs: NM, 1.0; PM, 2.0; CM, 3.0. Call the Indian River County Extension office (772) 226-4330.

**The Great CEU Round-Up** sponsored by UF IFAS and host locations at county extension offices. Usually offered in the summer—more information available in July. 4-6 CEU's depending upon the category. Contact your local county extension office.

**Growing Produce magazine.** CEU Series by Gene McAvooy (UF/IFAS Extension Hendry County) and other county extension faculty (on-line and paper). Read article, answer test questions, and submit answers. CEU: 1 CORE per article. [www.growingproduce.com/crop-protection/ceu-series](http://www.growingproduce.com/crop-protection/ceu-series)

**Citrus Industry magazine and Southeast AgNet.** <http://citrusindustry.net/ceu>

### Private Enterprises

**The Florida Turfgrass Association** has regional turf seminars throughout the state of Florida. These seminars provide local educational programs on topics such as pest and disease, weeds, BMPs, regulatory issues, safety and pesticide usage. Participants receive FDACS CEUs in core and turf and ornamental categories, FNGLA, Certified Crop Advertisers and GCSAA.
