FOOD VENDOR TERMS AND CONDITIONS

Please read carefully.
Marion County Board of County Commissioners, University of Florida, Marion County Extension Service, University of Florida Institute of Food and Agricultural Sciences (UF/IFAS), and/or UF/IFAS Master Gardeners will not be responsible for any loss, damage, nor injury to any person or property of participating food vendors (vendors) of the Marion County Master Gardeners’ Spring Festival (Festival).

Insurance, license, and permit requirements: All food vendors must have the required food-handling licenses and/or permits. In addition, the vendor’s insurance company should issue a “Special Events Liability Insurance Policy” with a minimum limit of $1,000,000 for both bodily injury and property damage. The Board of County Commissioners must be shown as “additionally insured” and “certificate holder” on the certificate of insurance.

Application Process: Food vendors are required to submit a complete and signed application including a complete menu provided in the listing of food items to be sold. The Festival Committee obtains the authority to prohibit the sale of any items to avoid excessive inventory duplication.

Applications must include a photograph of “mobile food dispensing vehicle,” tent or space intended for use during the Festival. A scale drawing depicting exact measurements and setup will be accepted in lieu of photograph.

Payment Process: Once a complete and signed application has been approved, you will receive an email from the Vendor Coordinator with your invoice. Checks must be made out to the UNIVERSITY OF FLORIDA. MasterCard and VISA payments can be made by stopping into the Extension Office. Credit card payments can be accepted over the phone by calling 352-671-8400. The balance will be due no later than Feb. 9, 2024. If we have not received your final payment by Feb. 9, 2024, the Festival Committee reserves the right to sell the space to another vendor. Vendors who do not meet the February deadline may or may not be able to be included in Festival advertising, including Day-of-Event flier.

Space assignments: Food Court spaces are not pre-assigned. You will be placed as directed by Festival committee member on the day of set up. NO REFUNDS WILL BE MADE. Space parameters will be clearly defined prior to set up; extending beyond space boundaries is prohibited. Space subletting is prohibited without prior approval from committee chair. Should the Festival configuration change, vendors will be assigned a space of equal value.

Event parking: During Festival operating hours, all vendor personal vehicles must be parked in the designated vendor parking area. Vendors must follow all posted traffic management signs. Vendors will be issued parking permits during initial set-up, which must be displayed prominently in or on the vehicle. Parking is on a “first-come, first-served” basis and can be accessed via gate 5 only for the duration of the weekend. Vendors are reminded that there will be many vehicles of varying sizes in the vendor parking area and to park as efficiently as possible to allow for as many vendor vehicles as possible in these prime spots. All overnight recreational vehicles (RVs) MUST be approved and paid for at the time of final payment. RVs will be required to park in the vendor parking lot and should notify Festival staff during initial set up.

Set-up times and gates are restricted to the following:
