Okaloosa Technical College, scan
the QR-code

**APRIL 26,
2025**
8am-11am

MANY NATIVE AND FLORIDA FRIENDLY PLANTS:

- Dozens of plants which are food and larval feeding sources for our fall migrating monarch butterflies and food source for migrating hummingbirds

This is also a perfect time to bring your black, one gallon nursery pots (only 1 gallon is needed) to donate to the Master Gardener nursery.
