

Okaloosa 4-H

4-H Youth

The 4-H Outdoor Adventures: Sunshine Explorers Camp was a huge success! Thanks to Chelco for financially supporting this opportunity.

Youth from Okaloosa, Walton, Bay, and Holmes counties gathered together to learn about energy from our natural resources.

Guests from Chelco joined the 4-H team where youth got to do a variety of activities like building solar cars and boats, interacting with a model home, and visiting an electric vehicle.

4-H Volunteers

Florida 4-H expands options to make payments in 4-H Online.

A credit card can now be used to make payments. Starting August 2024, there will also be a check payment option in 4-H Online.

Youth and Adult Volunteers Needed

We need youth and adult volunteers interested in assisting with the upcoming 4-H Okaloosa 2024 Annual Banquet!

We plan to host our annual banquet in September 2024. A date will be determined with youth and adult volunteers.

We hope you consider contributing to this great event to celebrate all completed over the past year and to begin the next 4-H year with excitement.

Please contact Dana Stephens by July 26, 2024 if you are interested in volunteering.
