

# Okaloosa 4-H

Okaloosa 4-H Forest Ecology Club Competition Participants

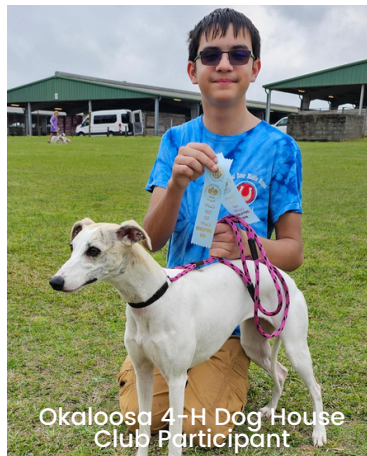

## 4-H Youth

Hooray for Okaloosa 4-H Youth! Here are some March accomplishments to share.

Our Forest Ecology Club participants placed 2nd in the Florida 4-H Forest Ecology Annual Competition!

Nicolas used skills gained from being a member in our Dog House Club to attend the IABCA International Dog Show. Nicolas received Best in Show and Reserve Best in Show Awards!

**We are proud of all Okaloosa County 4-H youth and their amazing accomplishments!**

Okaloosa 4-H Dog House Club Participant

## 4-H Volunteers

As a reminder it is policy of Florida 4-H to always have two, 4-H level II background screened approved volunteers with youth at all times. This includes all engagements, activities, meetings, field trips, etc. This policy is to ensure safety of our youth.

## 4-H Thanks Ms. Jatoya Booth

Many of you have experienced the impactful work and care of Ms. Jatoya Booth, the Okaloosa UF/IFAS Extension 4-H Program Assistant. Ms. Booth sustained the Okaloosa 4-H program during a time of transition in 2023 and also grew programming efforts and support across the county.

Ms. Booth resigned from the 4-H Program Assistant position the last week in March. Join me in sharing a sincere thanks and warm wishes in her new adventure.

Please contact the 4-H Agent, Dana Stephens, for all inquiries, needs, and communications.
