## 4-H Youth

What a fantastic 2024! I am proud of the amazing 4-H accomplishments this year. Such as those who took on a new 4-H adventure or ventured outside their comfort zone and participated in county events, state competitions, and 4-H executive boards.

Thanks to each of you for making 2024 impactful.

What are you most proud of in 2024?

How may you challenge yourself to continue to grow in 2025?

## 4-H Volunteers

Thinking about a new club activity, project, or event?

Remember, for the 2024-2025 4-H Club year, all clubs can request \$100 from Okaloosa 4-H to support youth club programming.
