Section 4: Project Activities

You must complete a minimum of six (6) activities per year. Circle or highlight the activities you complete. Proof of each activity must be provided.

1) Create a poster, tabletop display or game board on a citrus topic. Share the poster, tabletop display or game board at a 4-H meeting or as a fair exhibit. Take a photo of the poster for the project report.

2) Take a citrus related field trip - include information in your story and include a photo. Possible field trip ideas below:
   a) Citrus nursery
   b) Citrus grove/grower
   c) Citrus Hall of Fame at Florida Southern College
   d) Winter Garden Heritage Museum
   e) Florida Agricultural Museum
   f) Florida’s Natural Grove House

3) Research job options or/degrees in the field of citrus.

4) Interview a citrus producer – include interviewee’s name, date and location, questions and answers.

5) Interview a citrus researcher– include interviewee’s name, date and location, questions and answers.

6) Complete the Florida Citrus Activity Book, [http://edis.ifas.ufl.edu/pp331](http://edis.ifas.ufl.edu/pp331) Juniors and Intermediates only

7) Write a half page summary of any citrus variety in Florida. It could include, but not limited to, the size of the fruit, the harvest period, a description of the fruit, the history of the fruit, etc.

8) Create a PowerPoint on a citrus disease or pest (e.g. citrus canker, Huanglongbing (HLB; citrus greening), citrus black spot, Asian citrus psyllid, etc.) PowerPoint must be at least five (5) slides. Print out slides, two per page, and include in record book.

9) Create a study sheet to use to prepare for the citrus skill-a-thon. Include the original or copy in the record book.

10) Make a set of flash cards (using 3 x 5 index cards) to use to prepare for the citrus skill-a-thon. It must include a minimum of 15 cards. Flash cards will have information on both
sides. Example: one side would have a question or picture and the other side would have the answer.

11) Read a citrus article from a trade journal and write a summary (Junior: 4-6 sentences; Intermediate: ½ page summary; Senior: one page summary). Include the title, author(s), and publication date. The article must have been written within two years of the record book due date. You can find links to citrus magazine articles at http://www.crec.ifas.ufl.edu/extension/trade_journals/. This activity may be completed up to two times per a year.

12) Create a list of what you learned at the citrus tree distribution, citrus tree workshop, or citrus field trip (Junior: minimum of 3 statements; Intermediate: minimum of 5 statements; Senior: minimum of 8 statements). This activity may be completed up to three times per a year. Example: Summary #1: Tree Distribution, Summary #2: Tree Workshop, Summary #3: Field Trip.

13) Visit edis.ifas.ufl.edu and do a search for citrus. Choose a citrus fact sheet and write a summary (Junior: 4-6 sentences; Intermediate: ½ page summary; Senior: one page summary). Include the title, author(s), and publication date.

14) Draw a picture of a citrus grove. Picture must include trees with fruit, pump/well, irrigation, and environmental factors (clouds, sun, wild life, etc.). Write a 2-3 sentence description of your picture.

15) Select at least 8 oranges or lemons. Squeeze the fruit. For oranges, enjoy the juice. For lemons, make lemonade. Include a photo in your record book of you squeezing the fruit and your final product.

16) Read An Orange in January by Dianna Aston and write 2-3 sentences about your favorite part of the story. Juniors only.

17) Draw/print a map and label where citrus is grown in the United States.

18) Draw/print a map and label where citrus is grown around the world.

19) List the health benefits or nutritional value of consuming citrus.

Section 5a: Leadership

Leadership is defined as any time when you teach or lead others. For example: camp counselor, club officer, show others how to groom an animal, Farm City Ambassador, etc. Keep in mind that sometimes a demonstration can be considered leadership if you are teaching a complete task (how to prune, how to transplant). This is only if the audience is also doing the task at the same time. Remember, an activity can only be listed once. If it is listed as a demonstration, it cannot be listed for leadership.

- Juniors and Intermediates must have at least **two** leadership activities and one has to be in the citrus project.
- Seniors must have at least **four** and one has to be in the citrus project.
- **Two** points will automatically be deducted if NO leadership is listed in project area.

Create a story of your project experiences. Tell about some of your enjoyable and difficult experiences during this project year. Share what you have learned and what you will do differently next time. Include something you have experienced or something unusual that made this project unique to previous projects. What did you do after the fair? Be creative! Make it interesting!

Your story should be long enough to cover the work you have done in this project. Be sure it has an introduction, body, and conclusion. It should be less than three pages, neatly written or typed. Write on one side of the paper only!
Section 13: Project Photos

Your photos should show the beginning, middle, and end of your project. You should include pictures of your tree, along with pictures of you doing your care practices such as planting, pruning, fertilizing, irrigating and spraying.

**Do**
Include a minimum of three photos and a maximum of twenty photos. Only place two photos per a page. Write a caption and date for each photo.

**Don’t**
Do not use scrapbooking accessories. Do not put pages in plastic sleeves.
Section 14: Project Awards (optional)

Your awards show your accomplishments in the citrus project. Attach ribbons and certificates to 8.5 x 11 white paper. If the ribbon is larger than the paper, insert a photo.
