## **Share The Fun**

The 4-H Share the Fun Program is designed to help 4-H'ers discover their talents, develop them, and have opportunities to share those gifts with others. It is part of the 4-H Recreation Program and is conducted at County, District, and State levels. The objective of the Share-the-Fun Program is to enhance the following areas: appreciation of talent, leadership, confidence, interest in special training, and the ability to discover opportunities for wholesome recreation.

### **Act Classification:**

\* Instrumental: Musical instruments of all descriptions.

\*Vocal: Singing numbers.

\*Dance: All dance, baton, and acrobatic routines.

\*Dramatic & Novelty: Skits, stunts, pantomimes, monologues, puppetry, impersonations, etc.

\*General: Acts which include two or more of the above classifications.

### **Act Size and Length:**

\*Acts may be presented by an individual or a group. Group acts should be limited to a maximum of five participants.

\* Entertainment groups with more than five members are discouraged because of the difficulty in facilitating a group that size. However, this does not rule out participation by such a group if their talent is of exceptional quality and they meet all other requirements. Such an act must be cleared through the State 4-H Office prior to District Events (contact Associate Dean for 4-H Programs). Acts with more than five participants who are not cleared through the State 4-H Office in advance will not be allowed to perform at Florida 4-H Congress.

\*The time for each act can range from 3-5 minutes. Participants will have a one-minute warning and then the act will be called at 5 minutes.

### **County:**

- Each county determines eligibility based on current enrollment and participation standards. Separate junior, intermediate and senior programs be conducted.
- All supplies for acts must be provided by 4-H youth participant unless pre-arranged with 4-H agent

**Judging:** Awards are scored by the judges and will each be awarded a blue, red, or white quality award ribbon. The top two acts based on total score will be eligible to advance to the district competition.

**District:** Each county may submit two acts for senior competition, two acts for intermediate competition and two acts for junior competition. Junior and intermediate winners may be selected using the Share-the-Fun score card; however, there are no provisions for junior or intermediate participation beyond the district level.

## **Photo Contest**

**Entry Classes:** There are five categories

- \***People-** Any photo where the main subject(s) is a person or people. Still shots or active
- \***Flora and Fauna-** Plants, animals; living items found in nature
- \***Scenic-** Cityscapes, rural landscapes, natural settings that do not fit into Flora & Fauna
- \***Still Life-** An arrangement or display of inanimate objects
- \***Black and White-** Any subject presented in black and white.

### **Rules**

- \*All photos exhibited must have been taken by 4-H members within the past year.
- \*Youth are allowed to enter up to five photos provided each is in a different category
- \*Any youth that has placed 1<sup>st</sup> in an age division at the state level may not enter that category the following year. For example, a Best in Show Junior Flora & Fauna winner can compete again in the other 4 categories but may not compete in Flora & Fauna
- \* Pixel size: Photos should be at least 800 pixels by 1000 pixels and saved as a JPEG. The ideal 8 x 10 quality is 2400 pixels by 3000 pixels which is the same as an 8 x 10 photo at 300 dpi (resolution). Any higher variations are allowed. Photos may be submitted with a different pixel ratio but will be judged using the 8 x10 pixel dimensions, which may cause your photo to appear stretched, compressed, or distorted.
- \* Alterations of photo: Slight computer enhancements are allowed such as crop, trimming, adjusting lighting, and red eye reduction; substantially altered photography, such as changing colors or applying design styles, using computer graphics will disqualify an entry.
- \* **Proper Labeling of Photos:** Each entry must include a completed photo release form
- \* **Model Release Statement:** Recognizable pictures of any adult or youth under the age of 18 must include a “Model release” signature. If a minor is in the photo the signature must come from the parent or guardian of that minor.
- \***County Submissions Scoring & Awards:** All photographs are judged separately and awarded blue, red, or white. A 1<sup>st</sup> place blue photo will be chosen in each category for each age division. The top scoring entry from each age division (Junior, Intermediate, & Senior) will advance to state competition.
- \* **Digital Files:** You must attach the original photo file in a JPEG file format on a CD or flash drive. Photos taken with film or transparencies will need to be converted into a JPEG file, placed on a CD, and attached to the back of the submitted photograph. Photos should be at least 800 pixels by 1000 pixels and saved as a JPEG. The ideal 8×10 quality is 2400 pixels by 3000 pixels, which is the same as an 8×10 photo at 300 dpi (resolution). Any higher variations of the 8×10 ratio are fine. The best way to tell is to take the lower pixel number and divide by the higher pixel number. If you get 0.8 then you’ve successfully hit the mark.
- \* **Refusal Rights:** The Putnam 4-H Youth Development Program reserves the right to refuse inappropriate or unsuitable entries. Photograph must NOT be offensive, degrading, racists, or contain pornography of any form.
- \***Scoring** The scoring rubric that will be used can be found at [http://sfyl.ifas.ufl.edu/media/sfylifasufledu/putnam/4-h/pdf/Photo-Contest-Score-sheet-final-draft-\(1\).pdf](http://sfyl.ifas.ufl.edu/media/sfylifasufledu/putnam/4-h/pdf/Photo-Contest-Score-sheet-final-draft-(1).pdf)
