Judging: Each entry will be assigned a code within the office when the Google Form is received. This code will be connected to photos 2-5 of the entry which will be placed on a sheet of paper/ slide for judge's viewing. This allows for the judges to judge each entry without knowledge of the creator's identity. Each entry will be judged on its own merit using the Danish System receiving blue, red, or white. All blue ribbon entries in each age category/ division will be judged against the others with a 1st place winner in each age division category being selected. The judges' decisions are final. Results will be shared on the UF/IFAS Putnam County 4-H Facebook page with the creator's identity revealed using photo 1 of the entry (Youth with their entry).

We look forward to seeing everyone's wonderful creations in the various categories. We also hope to see some creative family entries in the newly added Family Gingerbread house or structure division.
