

## Edible Gardening Series with Sarah Bostick and Carol Wyatt-Evens UF/IFAS Extension Sarasota County

### Resources from Session 19: Caterpillars

#### Insect Identification and Control:

##### **Insect Management in the Home Garden**

- Another EDIS document that is specified to insect management in the home garden. It covers insects that attack from below, insects that eat leaves & stems, piercing-sucking insect, and insect that feed on seeds, pods, or fruits. A great go-to to find your troublemaker!
  - <https://edis.ifas.ufl.edu/vh036>

##### **Insect Management for Leafy Vegetables**

- An EDIS publication on the pest insects specific to leafy vegetables
  - <https://edis.ifas.ufl.edu/ig161>

##### **UF/IFAS Gardening Solutions – Plant Pests**

- An EDIS publication directory for garden pests
  - <https://gardeningolutions.ifas.ufl.edu/care/pests-and-diseases/pests/>

#### External Resource:

##### **UC IPM - Pest in Gardens and Landscapes: Quick Tips - Leaf-feeding Caterpillars**

- UC IPM is one of my favorite resources outside of UF. This provides a general overview of leaf-feeding caterpillars in California. It discusses the most destructive of the garden caterpillars.
