

FLORIDA ARBOR DAY 2018

TREEQUEST

Join Sarasota County starting Friday, Jan. 19, for **Tree Quest: A Scavenger Hunt for Local Trees.**

You will have **TWO WEEKS** to identify **FIVE TYPES OF TREES** using the clues on the back of this card. The trees can be found at either of the following county parks (you only need to visit one park).

- Shamrock Park, 3900 Shamrock Drive, Venice
- Urfer Family Park, 4012 Honore Ave., Sarasota

UF | IFAS Extension
UNIVERSITY of FLORIDA

Sarasota County

Sarasota County prohibits discrimination in all services, programs or activities. View the complete policy at scgov.net (keywords ADA compliance).

Scavenger Hunt Clues:

1. My name is only three letters. Squirrels like to hide my seeds.
2. I grow on other trees; my cousins make newtons.
3. My leaves are long and thin. My seeds are hidden in cones.
4. I am the state tree. My leaves look like big fans.
5. My name is in a popular movie title; it would be a nightmare if you lived on this street.

You'll know you've found the right tree if it's tagged with a fact sheet to help you learn more about the great things trees give us!

TO SUBMIT YOUR ANSWERS:

Go to scgov.net (keywords **Tree Quest**) and **complete the survey by Feb. 2.**

Prizes include: rain barrels, state parks day passes, plant gift certificates and much more!

Share your Tree Quest fun!

Snap selfies of you and the tagged trees you've found and send them with your name to sarasota@ifas.ufl.edu. We'll post the best to the Sarasota County Extension Facebook page (@ufsarasotaext) to help spread the word about Florida Arbor Day and the benefits of trees.

Sarasota County has beautiful parks where you'll find amazing trees, our state parks do too. In fact, Florida is the No. 1 state in the nation for its number of state parks! Learn more about trees and visit them all year round.
