

UF/IFAS Extension Sarasota County

The science of better living.

From agriculture to wildlife, from composting to electric vehicles, we bring you the latest research from the University of Florida.

Find a class or workshop, or arrange an expert speaker, on a broad array of topics, including:

- Eco-friendly landscaping
- Water quality awareness
- Urban/community forestry
- Sustainable aquaculture
- Aging in place
- Recycling and composting
- Community nutrition education
- Solar energy
- Pesticide use and application
- Community and school gardens
- Industry training
- Sustainable lifestyles
- Mosquito management
- Home food preparation
- Sustainable agriculture
- Backyard wildlife habitat
- Storm readiness
- Pest and plant diagnostics
- 4-H youth development
- Community food systems

Where you live, work and play.

Find us at your local library or park, at schools, in your neighborhood, at businesses, government centers, and countless other places.

We are there for you.
