Frequently Asked Questions 2023-2024 St. Johns County 4-H Clover Awards

- Q.) When are Clover Awards due to the 4-H Office?**
A.) The Clover Award application and accompanying materials must be turned in to the SJC 4-H office by **June 3, 2024 at 4:00pm** to qualify for a Clover Award.
- Q.) Where do I get the Clover Award application?**
A.) The Clover Award requirements and paper applications are available in the 4-H office. For electronic versions, download and fill in or print the application from the St. Johns County 4-H website. **DO NOT use the form on the state 4-H website as it is different and will not be accepted.**
- Q.) Does the Clover Award application or any part of it need to be handwritten?**
A.) The application, reports, record book, and essays can be neatly handwritten or typed. The applications on the SJC 4-H website can be downloaded and filled in on the computer or printed and handwritten.
- Q.) Can my Clover Award application and record books be turned in electronically?**
A.) No. Only hard copies of the Clover Award application and record book will be accepted.
- Q.) What is the Responsible Party Signature?**
A.) The Responsible Party Signature is the signature of the adult responsible for the activity. For example, for the Barn Dance, the Responsible Party is the 4-H Office because it is coordinated by the 4-H Office. Club leaders' signatures are only valid if the member is participating as a club member. They cannot sign for county, district, or state events and activities except Craft Night if the member works a station with their club.
- Q.) What do I do if the Responsible Party isn't available to sign the paperwork?**
A.) Clover Award applications should be given to the Responsible Party as soon as the event or activity is over to eliminate the need to find someone months after the event or activity. If you attend an event or activity and don't have your Clover Award Application with you, get a Responsible Party Sticker (see complete description below). For leader signatures, get them to sign long before the Clover Awards are due. The club meeting before **June 3, 2024** is the best time to get your club leader's signature.
- Q.) What is the Responsible Party Sticker?**
A.) The Responsible Party Sticker is a substitute for a signature when you don't have your Clover Award Application ready to be signed but need to track the event or activity. You are given the signed sticker when you check into the event or activity. When you are filling out your Clover Award Application later, place the sticker across the date and signature blocks for that event or activity.
- Q.) What do I do if I lost the Responsible Party Sticker I was given at an event or activity?**
A.) You will need to go to the party who was responsible for the event to either get another sticker or get a signature on your Clover Award Application.
- Q.) What happens if I turn my Clover Award application and accompanying materials in after June 3, 2024?**
A.) Your materials will be judged and given comments, but you will be ineligible for a Clover Award and receive a green ribbon for your record book.

- Q.) I have run out of room on my Clover Award application. Can I put the extra information on an additional piece of paper?**
 A.) Yes. Once you run out of room, you may use a separate piece of paper if it contains the types of information required on the form.
- Q.) If I am an At-Large member, do I need to have my Clover Awards signed?**
 A.) Yes. The Responsible Party in charge of your event, activity, or project must sign each line as defined on your Clover Award application.
- Q.) What is the Wildcard poster for Cloverbuds and Juniors?**
 A.) The Wildcard poster is a noncompetitive 14x22 inch poster about your 4-H project. Various art media such as markers, paint, colored pencils & crayons can be used. **Poster is due in the 4-H Office by June 3, 2024.**
- Q.) What is the Wildcard interview for Intermediates and Seniors?**
 A.) An interview with one 4-H alumnus (cannot be a relative) about their experiences in 4-H can be substituted for one of the requirements, except record books. A written report must be turned in to your leader and the 4-H agent. If you don't know any 4-H alumni, contact the 4-H Office for alumni you can interview. **The interview report is due in the 4-H Office when you turn in your Clover Award application by June 3, 2024.**
- Q.) Can I use a Wildcard as a substitute for my Clover Award requirements?**
 A.) Yes, it can be substituted for one Clover Award requirement - although it cannot substitute record books, project reports, or Senior portfolio requirements.
- Q.) Can I count my summer 4-H experiences toward my Clover Awards?**
 A.) Yes, summer camp experiences and other 4-H summer activities can be counted toward Clover Awards, however, each event can only be counted once. For example, one 2-day day camp counts as one event. However, two different 1-day camps count as two events. Please be sure to count all the activities you participated in during the date range identified at the top of the Clover Award Application form.
- Q.) If I attend a Horse Show or other all-day event, and participate in 4 classes at that event, do the classes count as 4 separate competitions or activities?**
 A.) No, they will count as one competition or activity because they are parts of the same event.
- Q.) If I participate in the same contest at two different fairs, can I count it as 2 competitive events?**
 A.) Yes, as each occurred at a different event. Also, if you participate in more than one judging event at the same fair, this would be counted as two different competitive events or activities because they are unrelated. For example, a Consumer Choices contest and the Plant Identification contest at the same fair are counted as two competitions or activities.
- Q.) I entered 3 photos in the photography contest, can I count this as 3 competitions?**
 A.) No, this would be counted as one competition. The same goes for arts and crafts; multiple entries in the same competition are counted as one competition.
- Q.) I taught a craft at summer camp, but I also participated in making crafts at camp, can I count this as teaching and an activity?**
 A.) No, it must be one or the other. Each event, activity, and contest can only be counted once for your Clover Award packet.

- Q.) If I give a 4-H talk to my church or classroom, can it count as a talk to a community group?**
A.) Yes, if your talk is about 4-H and/or your 4-H project and to a group of 10 or more people who represent the community as an organized unit. Suggested time is at least 5 minutes including questions and answers.
- Q.) The Clover Award Standards say “reimbursement” instead of “scholarship”. What does a summer activity or camp reimbursement mean?**
A.) Youth must pay for camps or activities at the time of registration, regardless of whether they plan to turn in a Clover Award. Reimbursements will be issued in the first week of August.
- Q.) Who can be an emcee?**
A.) A senior 4-Her that signs up to emcee an event or contest by October 31, 2023. Any events or contests that don’t have any emcees by that time will be assigned to interested members of Teen Leadership Council club.
- Q.) Can I use my Clover Award scholarship toward county and state summer events and activities?**
A.) Yes, in addition to summer day or residential camps, youth may apply their Clover Award scholarship to other state and county 4-H events that take place between **June 3, 2024 and August 15, 2024**, including 4-H Legislature and 4-H University. Clover Award scholarships must be used during the summer months that follow the application deadline.
- Q.) I am not sure what counts for the Clover Award requirements?**
A.) Please check with your 4-H Club Leader or contact the 4-H Office. Remember that all activities counted on the Clover Awards must be **4-H sponsored or affiliated with 4-H**.
- Q.) Do activities that are done during regular club meetings count as Activities in the Clover Awards?**
A.) No. Activities done at club meetings are accounted for in the top section of the Clover Award Application. Learning how to make a craft or a skill during the club meeting does NOT count as an Activity Participated In. One exception is a community service project worked on a regular club meeting. It counts in the Participate in Service Projects or Lead Service Projects sections of the Clover Award Application.
- Q.) If I attend District Council meetings two different times, can I count this as two different activities?**
A.) Yes, your attendance will count as different activities. If you participate in District Council community service, you can apply that to the service requirement in the Clover Award. If you participate in a District Council-sponsored activity or event held at a different time than the regular meeting such as a dance, that qualifies as a separate activity.
- Q.) What counts as a District activity?**
A.) A District Council meeting and District Events are two examples of District Level events.
- Q.) I see that Parent/Guardian support is required to receive Clover Award reimbursements. What is expected?**
A.) Parent/guardian involvement is required for all 4-H youth. In addition to parents supporting their child in their 4-H project work, parents of youth receiving 4-H Clover Awards are also required to assist with 4-H events and activities coordinated through the St. Johns County 4-H Office, not the club. Driving the 4-H'er to meetings and helping them with their record book does not satisfy the parent/guardian involvement requirement. Examples of COUNTY level support where parents are needed include:
- 4-H Marketing Booth at Community Events-Work information booth
 - 4-H Awards Banquet/Fashion Show-Set up/take down, food monitor, decorate
 - 4-H Barn Dance-Decorate, set up/take down, monitor food stations, entertainment
 - 4-H 5K Races - Cottonmouth & Spud Run -Work events and get sponsorships, not run.

- Greeter and sign-in for contests.
- Check with the 4-H Office for MORE opportunities.

4-H CLUB AND PROJECT LEADERS ARE EXEMPT FROM THIS PARENT REQUIREMENT.
