Recycled Garment

- The member designs and sews a wearable garment from previously used materials. The completed garment is different from its original use.

It could be a large dress made into a skirt to fit a smaller person with the dress collar cut down to fit onto a new blouse. It could be 2 old shirts re-made into shorts and a light jacket with trim from a man's tie. It could be an old prom dress made into a new blouse with a dress cut down from a pair of men's slacks.
