

Kristen Red Maple Scholarship

Kristen Poppell was the University of Florida IFAS Nassau County 4-H youth development agent. This scholarship is in her memory. Kristen was a passionate 4-H agent, particularly dedicated to her citizenship and leadership programs like county council, district council, summer camp counselors, and the Youth Leadership Nassau Program. She loved her 4-H'ers. She genuinely cared about their success and would do everything in her power to help them and find ways for them to experience new programs and passions. This scholarship serves as a way for young people to gain an experience outside of their county program and expanded their skills and connections. Kristen was a thoughtful teacher and mentor to both youth and agents; we hope in a small way this scholarship continues her legacy.
